

HOW TO START A P7 CLUB ONLINE

1. PRAY & PARTNER

Pray for wisdom. Pray for God to open doors.
Partner with your Pastor & Youth Pastor

2. PLAN & PRESENT

Online P7 Clubs will certainly face less barriers than in person clubs, but that doesn't mean should shouldn't plan. Choose a platform (Zoom is the most common we have seen for virtual P7 Clubs). Decide a day/time and stay consistent with it. Plan virtual games. Plan your lessons. Get others involved. Present the idea to your friends and start inviting people.
Register your club online at P7clubs.com

3. PREPARE & PRACTICE

You should always prepare for P7, in person or not! :)
Prepare spiritually by praying & fasting ahead of time.
Prepare logistically by reminding people about P7.
Think group chat reminders, sending out the zoom link, etc. Practice getting into a weekly rhythm with P7.
Practice showing the fruit of the spirit. Practice your p7 lesson in front of the mirror.

4. PRODUCE

Don't think disciples can be made through an online platform? Think again. You. Can. Do. This. Tag us in pics, cuz we wanna celebrate with you.
